

**We desperately need your help again....**In April of this year I put a plea up here for **HELP** for **Master Ozzie**, he urgently needed his cruciate ligament operation done ....all you wonderful people out there sent in funds to help us raise the **£1800.00** we needed to get this done. We reached that goal with everyone giving, and darling **Ozzie** had the operation, and it was a **huge success!!** Thank you all **so very, very much**, you saved a boy from being in agony.

Everything was done in **Ozzie's** best interest to ensure his leg mended as quick and as proper as it should be.

He had his final visit to the vets, **Stephen Ellwoods** of

Boston, and was passed with flying colours!! His stitches taken out and he was able to walk using that leg again so perfectly.....with Stephen waving goodbye to **Ozzie** content that the operation and healing process had gone so well.

Bless this boy's heart, he has been such a diamond and has never complained once. His owners were overwhelmed with everyone's help and support; they too had put lots of time and effort into doing fundraising to help their boy, **they really can't thank everyone enough**,

both have been reduced to tears at the kindness of all you wonderful people out there that have helped **Ozzie**. **Their sincere and grateful thanks are being passed on to you all.**

Now, *Dear Ozzie* has to go through all this again...his other back leg is in **URGENT** need of the same operation...poor lad. Mine, and I am sure all of you will feel the same, heart goes out to *Ozzie* for having to have this same operation all over again.

*Poor Ozzie....* **We NEED YOUR HELP AGAIN to raise**

**£1800.00** .....If everyone that reads this can spare just **£1.00** we would soon have this money together...we and his owners are doing all we can to raise this money.

We have already started his fundraising; a very kind Lady donated **£500** to our rescue, and this has started off his fundraising. We are solely run on donations and administered by voluntary helpers, we do all we can to help all the Boxers in Need.

**Please can you help, can you spare just £1.00.**

If you can, you can send this to us via cheque, postal order or by using our paypal service on the front cover.
